Project Work Plan

What will the project accomplish?

Support personnel, professional services, training, hardware, software, and licensing costs associated with maintaining and successfully uploading the required NG9-1-1 GIS data to the GeoComm GIS Data Hub. Successful NG9-1-1 GIS data uploads (defined as being critical error free) should be completed monthly and contain all required NG9-1-1 GIS layers. NG9-1-1 GIS data should also meet the requirements outlined in the standards and best practices in the COMMONWEALTH OF PENNSYLVANIA NG9-1-1 GIS DATA MODEL AND BEST PRACTICES GUIDE Version 2 and remain capable of supporting accurate geospatial call routing, including supporting interstate interoperability where applicable. It will also be used to enrich and improve completeness of NG9-1-1 GIS layers in adherence to the standards.

Please describe how this project aligns with the Priorities adopted by PEMA in consultation with the 9-1-1 Advisory Board

Lancaster County migrated to the NG911 service and is pursuing funding for the NG911 GIS data stewardship and maintenance tasks required to support the continuity of accurate geospatial call routing for NG911 service. The tasks may include but are not limited to; updating and maintaining accurate and current NG911 GIS data as defined in the "Commonwealth of Pennsylvania NG9111 GIS Data Model and Best Practices" guide version 2, successfully (critical error free) uploading all required NG911 GIS layers to the GeoComm GIS Data Hub at least once a month; filing and tracking ALI discrepancy reports (DRs), responding to MSAG change requests (CRs) from originating service providers (OSPs), ensuring ongoing topological alignment (free of unintentional gaps and overlaps) of NG911 GIS data with data in neighboring jurisdictions.

Where will the work occur?

3. NONDISCRIMINATION/SEXUAL HARASSMENT

- a. **Representations.** The Grantee represents that it is presently in compliance with and will remain in compliance with all applicable federal, state, and local laws, regulations, and policies relating to nondiscrimination and sexual harassment for the term of the agreement. The Grantee shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to its books, records, and accounts by the Commonwealth for the purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.
- b. **Nondiscrimination/Sexual Harassment Obligations.** The Grantee shall not:
 - i. in any manner discriminate in the hiring of any employee(s) for the performance of the activities required under this agreement or any subgrant agreement, contract, or subcontract, by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act ("PHRA") and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
 - ii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
 - iii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under this agreement or any subgrant agreement, contract, or subcontract.

- iv. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor, or supplier who is qualified to perform the work to which this agreement relates.
 - v. in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the Public Employee Relations Act, Pennsylvania Labor Relations Act, or National Labor Relations Act, as applicable, and to the extent determined by entities charged with the Acts' enforcement and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
- c. **Establishment of Grantee Policy.** The Grantee shall establish and maintain a written nondiscrimination and sexual harassment policy that complies with the applicable law and these Nondiscrimination/Sexual Harassment provisions and shall inform its employees in writing of the policy. The incorporation of these provisions in the Grantor's subgrants, contracts, or subcontracts does not create privity of contract between the Commonwealth and any subgrantee, contractor, or subcontractor, and no third-party beneficiaries are created by those provisions. If the Grantee becomes aware of a subgrantee's, contractor's, or subcontractor's violation of these provisions, the Grantee shall use its best efforts to ensure the subgrantee's, contractor's, or subcontractor's compliance with these provisions.

These rights and remedies are cumulative, and the use or non-use of any one does not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

- f. **Subcontracts.** The Grantee shall include these Grantee Integrity Provisions in its subgrant agreements, contracts, and subcontracts with all subgrantees, contractors, and subcontractors providing goods or services under this agreement. The Contractor shall provide this notification within 15 days of the date of suspension or debarment.

3. All agencies are required to track all RASA/VOJO reporting requirements as described in the 2025-2026 RASA/VOJO Funding Announcement and submit quarterly RASA/VOJO program reports through Egrants systems provided by PCCD's Office of Victims' Services (OVS). In addition, if this project includes contracted RASA/VOJO eligible services it is the responsibility of the applicant to collect all required data for reporting purposes from the contracted providers and include with the RASA/VOJO data submitted to PCCD in its quarterly program report.
4. If any new services have been added to this application not previously funded, the agency must develop policy and procedures that meet the appropriate standard(s). Additionally, if any standard has been updated or newly implemented since the last monitoring, the agency must ensure the policy and procedures are updated to meet the appropriate standard(s). These policy and procedures will be reviewed at the next programmatic monitoring.
5. The VCAP requires all RASA and VOJO funded victim service agencies to file their victim compensation claims online through the DAVE System. This must be completed in the area reserved for advocates, not the section where victims can file themselves.
6. RASA/VOJO subrecipients must have written policies and procedure on file regarding the Determination of Suitability to Interact with Participating Minors. This requirement applies to all positions funded whether funded in full or in part and ensures that employees, volunteers, vendors, and consultants who will or who are reasonably likely to have contact with a participating minor have the necessary checks performed with a determination of suitability made. Please refer to OVS' Program Administration Standard, Section D, Personnel Management for additional details.
7. By accepting this award, the recipient agrees to the following federal and PCCD conditions if any portion of this award is funded with federal Victims of Crime Act funding:

1. Audit Responsibilities:**Federal Funds**

The Applicant must comply with all applicable federal and state grant requirements including The Single Audit Act Amendments of 1996; 2 CFR Part 200 as amended; and any other applicable law or regulation, and any amendment to such other applicable law or regulation that may be enacted or promulgated by the federal government.

If the Applicant is a local government or non-profit organization that expends \$750,000 or more in federal awards during its fiscal year, the Applicant is required to provide the appropriate single or program specific audit in accordance with the provisions outlined in 2 CFR Part 200.501.

If the Applicant expends total federal awards of less than the threshold established by 2 CFR 200.501, it is exempt from federal audit requirements for that year, but records must be available for review or audit by appropriate officials (or designees) of the federal agency, pass-through entity, and Government Accountability Office (GAO).

If the Applicant is a for-profit entity, it is not subject to the auditing and reporting requirements of 2 CFR Part 200, Subpart F – Audit Requirements (Subpart F). However, PCCD is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The contract with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for federal awards made to for-profit subrecipients may include

pre-award audits, monitoring during the contract and post-award audits. The post-award audits may be in the form of a financial audit in accordance with Government Auditing Standards, a single audit report or program-specific audit report in accordance with Subpart F. However, these post-award audits must be submitted directly to the affected commonwealth agency that provided the funding. Only single audit reports for local governmental and non-profit subrecipients are electronically submitted to the Federal Audit Clearinghouse.

Additional Potential Components of the Single Audit Reporting Package

In instances where a federal program-specific audit guide is available, the audit report package for a program-specific audit may be different and should be prepared in accordance with the appropriate audit guide, Government Auditing Standards, and Subpart F.

In addition to the requirements of Subpart F, commonwealth agencies may require that the single audit reporting packages include additional components in the SEFA, or supplemental schedules, as identified through the respective grant agreement.

In accordance with 2 CFR 200.510, PCCD requires that PCCD grant numbers and amounts expended for each PCCD award be individually identifiable on all Single Audit Report Schedules of Expenditures of Federal Awards.

Steps for Submission

The Applicant's submission responsibilities are as follows:

(1) Submit the Single Audit or Program-Specific Audit Report to the Federal Audit Clearinghouse (FAC) and receive an email confirmation of receipt from the FAC.

(2) Complete the Single Audit/Program Specific Audit Reporting Checklist to ensure your package contains all required elements. A fill-in version of the checklist can be found on the Commonwealth's Bureau of Audits (BOA) website at <http://www.budget.pa.gov/Documents/single-audit-checklist.pdf>.

(3) Email the FAC confirmation of receipt, a certified copy of the data collection form, and the completed Checklist (PDF) to RA-BOASingleAudit@pa.gov. The subject line of the email must identify the exact name on the Single Audit or Program-Specific Audit Reporting Package and the period end date pertaining to the reporting package.

(4) The Applicant will receive an email from BOA confirming the receipt of the FAC's confirmation, the certified copy of the data collection form, and the completed Checklist.

Audit Oversight Provisions

The Applicant is responsible for obtaining the necessary audit and securing the services of a certified public accountant or independent governmental auditor.

The commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial or performance nature, if deemed necessary by commonwealth or federal agencies. Any such additional audit work will rely on work already performed by the Applicant's auditor and the costs for any additional work performed by the federal or state agencies will be borne by those agencies at no additional expense to the Applicant.

Audit documentation and audit reports must be retained by the Applicant's auditor for a minimum of five years from the date of issuance of the audit report, unless the Applicant's auditor is notified in writing by the commonwealth, the cognizant federal agency for audit, or the oversight federal agency for audit to extend the retention period. Audit documentation will be made available upon request to authorized representatives of the

commonwealth, the cognizant federal agency for audit, the oversight federal agency for audit, the federal funding agency, or the GAO.

State Funds

PCCD, in its sole discretion, may undertake an inspection and/or audit of the financial records of the Applicant relating to the Subgrant Project. The Applicant shall provide PCCD with full and complete access to all records relating to the performance of the Subgrant Project and to all persons who were involved in the Subgrant Project. PCCD may also require, as a condition of award, that an independent financial audit be completed.

Consistent with Executive Order 14074, "Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety," OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards), and are incorporated by reference here.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

5. Applicability of Part 200 Uniform Requirements

3.4.18.1 The Consultant will facilitate the development of a strategic plan utilizing a local planning team (15 to 20 persons) that includes representatives of the LEPC, Lancaster County Department of Public Safety, representatives from the supporting fire departments and

police departments, and various levels of hazardous materials response team membership. The strategic planning process will involve strategic planning meetings to be held on two consecutive days at an appropriate location within the community for both full group sessions and breakout small group work sessions.

3.4.19 Task 19: Vision, Mission, and Values

3.4.19.1 The Consultant must have experienced facilitators to guide the local planning team in the development of meaningful vision, mission, and values:

Strengths represent areas of the program to be built upon, and weaknesses are areas to be identified as potential sources for improvements. Opportunities are vital to the future of the program and should be viewed as positive prospects for growth and enhancement, while threats must be identified and addressed in advance, where possible. Other critical issues facing the program may be identified by the strategic planning group at this point as well.

3.4.21 Task 21: Goals and Objectives

- 3.4.21.1.4 Development of reasonable time for completion
- 3.4.21.2 Attainment of this task will be demonstrated by the establishment of realistic goals and objectives for the hazardous materials response program. In order to meet the mission of the program, the establishment of these goals is essential to providing it and individual team members with a clear direction.
- 3.4.21.3 The goals and objectives established during this process will become management tools and should be updated on a continuous basis as priorities change and specific goals and/or objectives are achieved and denote relevant changes within the community and the program.
