1. Program income means gross income received by the Grantee directly generated from the use of grant funds. When such income is generated by an activity that is only partially assisted with grant funds, the Program income shall be pro-rated to reflect the percentage of grant funds actually used by the Grantee. Grantee shall account for Program income in accordance with the standards included in 2 CFR Part 200, 24 CFR Part 576, 24 CFR Part 578 and 24 CFR Part 500. Program income includes, but is not limited to, the following:

  - b. Proceeds from the disposition of equipment purchased with grant funds;
  - c. Gross income from the use or rental of real or personal property acquired with grant funds, less the costs incidental to the generation of the income, pending the disposition or use for which the property was acquired;
  - d. Gross income from the use or rental of real property owned by the Grantee that was constructed or improved with grant funds, less the costs incidental to the generation of the income;
  - e. Payments received of principal and interest on loans made using grant funds;

  - i. Interest earned on Program income pending the disposition of the Program income; and
  - j. Interest earned on cash advances received from the Authority.
2. The following is a partial list of those items that are not considered to be Program income. Income not classified as Program income is not necessarily limited to these items:

- a. Proceeds from fund raising activities carried out by the Grantee on behalf of its Program which received grant funds; and
- b. Proceeds from the disposition of real property including equipment acquired or improved, in whole or in part, with grant funds when such disposition occurs after the applicable period of time specified in Section VII, Subpart A and Subpart B of this Contract.

**B. Recording of Program Income:**

The receipt and expenditure of Program income, as defined above and in 2 CFR Part 200 and 24 CFR Part 570.500 (a), shall be recorded as part of the permanent records of the financial transactions of the Grant Program.

**C. Disposition of Program Income:**

1. Program income received by the Grantee may be retained by the Grantee only if such income is treated as additional grant funds to be used to continue providing services as delineated in Appendix B. Furthermore, all other provisions of this Contract shall apply to any services provided with Program income.
2. If the Grantee decides to retain Program income, the transfer of grant funds under Section V will be adjusted as follows:
  - a. Program income shall be substantially disbursed for eligible activities prior to requesting additional cash reimbursements from the Authority; and
  - b. Monthly requests for reimbursement must indicate total expenses for the month, total Program income received during the month, and the adjusted total reimbursement required from the Authority.
3. Any Program income on hand when the Contract expires or that which is received by the Grantee after such expiration shall be paid to the Authority as stipulated in 24 CFR Part 570.504 (c) and in 24 CFR Part 570.503 (b)(8).

**VII. Real Property and Equipment**

**A.** The Grantee will manage real property and equipment in accordance with the requirements of 2 CFR Part 200 and the terms outlined in Subparts B and C below.

**B. Use of Real Property:**

The standards described hereunder apply to real property within the Grantee's control which was acquired or improved, in whole or in part, using grant funds in a cumulative amount in excess of \$25,000.00. The standards shall apply from the date grant funds are first spent for the property until 5 years after the expiration of the Contract under which the grant assistance was last provided to the Grantee for the property.

1. The Grantee may not change the use or planned use of the property, including the beneficiaries of such use, unless it provides the Authority and affected citizens with 30 days' notice of, and the opportunity to comment on, the proposed change. After this has taken place, the Authority must approve the change of use in writing.

2. The new use of the property must meet one of the three broad national objectives of the ESG/CDBG Program: principally benefit low and moderate-income individuals and families; aid in the elimination and prevention of slums and blight; or address other community health and safety needs having a particular urgency. Additionally, the property shall not serve as a building for the general conduct of government in its projected new use.

C. Disposition:

Real property and equipment may be disposed of in the following manner, only after consultation with affected citizens and after receiving prior written approval from the Authority, if it is no longer needed for a use which meets one of the aforementioned three national objectives of the ESG/CDBG Program.

1. The Grantee may retain or dispose of the property or equipment if it reimburses the Authority for the current fair market value of the property less any portion thereof attributable to the expenditure of non-ESG/CDBG funds for the acquisition of, or improvements made to, the property or equipment.
2. If the change of use or disposition of the property or equipment occurs subsequent to the expiration of this Contract, the provisions relating to income received from the disposition of real property or equipment delineated in 2 CFR Part 200 or 24 CFR Part 570.504 (b)(4) or 24 CFR Part 570.504 (b)(5), as applicable, shall apply to the use of funds reimbursed.
3. Disposition shall provide for competition to the fullest extent practicable and shall result in the highest possible return.
4. The Grantee may dispose of the property or equipment for a lesser value (or by donation) if such disposition is for a use meeting one of the three previously cited national objectives and is permissible under state and local law. Documentation that such disposition meets one of the national objectives shall be presented to the Authority prior to disposition of the property or equipment.

VIII. Reversion of Assets

Should the Grantee terminate its operations, or the program described in Appendix A, the Grantee shall transfer to the Authority any grant funds on hand at the time of termination, any accounts receivable which are attributable to the use of grant funds, such as loan repayments and any equipment purchased with grant funds.

IX. Time of Performance

- A. The Grantee shall begin providing services and incurring eligible costs under this Contract on the executed date and shall continue providing the services through January 12, 2027. Services shall be provided by the Grantee for the entire term of this Contract, even if all grant funds are expended prior to the expiration date.
- B. All terms and conditions of this agreement shall terminate thirty (30) days after final payment has been issued for services provided as funded except for Section II, Section III, Section IV, which will

terminate three (3) years from the date of final payment. In addition to those sections listed above, Section VI, Section VII, and Section VIII will terminate five (5) years from the date of final payment.

- C. The Authority reserves the right to immediately suspend or terminate this Contract in the event of default, inability, or failure to perform on the part of the Grantee. The Grantee may terminate or suspend this Contract in whole or in part only with 60-day prior written notice provided to the Authority, or at an earlier date with the Agreement of the Authority.

## X. Monitoring

- B. The Grantee must make itself available for an on-site monitoring visit within 30 days of receiving notification from the Authority that a visit is to be scheduled.
- C. The Grantee must respond in writing to the findings and concerns of the Authority resulting from the monitoring visit and undertake any corrective actions required within 30 days of receipt of the monitoring report.

## XII. Terms and Conditions

## **Appendix A**

### **Scope of Work**

---

The Scope of Work sets forth an understanding of the contractual responsibilities of the agency. In all activities, BHDS will utilize the most current PA-510 Continuum of Care Standards and Policies.

As a key partner in homelessness response, BHDS will work in collaboration with the Lancaster County Homelessness Coalition to assess service needs, identify system gaps, and support program development. While the Coalition Office focuses on system-level coordination and infrastructure, we rely on our partner agencies to lead day-to-day operations and direct client engagement, ensuring responsive and effective service delivery throughout the community.

BHDS will provide a representative at the Spring and Fall Continuum of Care Meetings and have at least 80% attendance at program-specific meetings spearheaded by the Office for the Coalition.

BHDS will ensure all services, referrals, and case notes are entered into Empower Lancaster no later than 72 hours of enrollment or service. Missing data leads to service gaps and duplication. Case notes should highlight key events, such as health changes, safety issues, housing status, document readiness, or program termination.

BHDS will ensure all payments for client financial assistance are issued to third-party service providers (e.g. utility companies, or landlord) not to the clients directly.

BHDS will place an alert in the client's Empower Lancaster (EL) record specifying the date, type, and amount of any financial assistance issued to ensure transparency and prevent duplication across providers.

BHDS will ensure that monthly invoices are submitted by the 10<sup>th</sup> of the month, even if there are no expenses for a program that month.

BHDS will adhere that all programs will meet the established error rate on all Data Quality and Compliance measures measured by monthly reports from the Office for the Homelessness Coalition (O4C).

BHDS will, during periods of extreme weather (hot or cold), provide or expand services as needed, including deploying outreach and assigning staff to assist onsite throughout the duration of the event.

BHDS will adhere to the CoC's prioritization policies and must utilize diversion and problem-solving strategies. All services are to be client-centered, trauma-informed, and solution-focused.

BHDS will provide services to households that are Category 1: Literally Homeless or Category 4: Fleeing/Attempting to Flee Domestic Violence for their contracted programs. Prevention programs, assisting households to stay in their current place of residence, are an exception to this requirement.

BHDS will accurately document all match contributions, including both cash and in-kind services or donated items.

## Prevention

The Prevention program is intended to assist individuals and families at risk of eviction and homelessness to remain safely housed by providing short-term supportive services and limited financial assistance. By working with their clients, BHDS will assist individuals by equipping them with skills (e.g. budgeting), referring them to mainstream benefits, and supporting a household's self-determination in achieving long-term sustainability.

BHDS, in a satisfactory and proper manner as determined by the Authority, shall perform the following services:

### 1. Activities

- a) Program staff will verify that a household's income either meets or is below 50% of the current HUD Median Family Income (FMI) for Lancaster, PA MSA. This income threshold is a required eligibility standard for participation in the program.
- b) Program staff will assess whether a household in Lancaster County can sustain their current housing with a brief and limited intervention of financial assistance and case management.
- c) Security deposits and first month's rent should not be paid using prevention funds. Households needing this type of assistance should be enrolled in an appropriate housing program (e.g., Crisis Housing or Pathways Rapid Rehousing) for services.
- d) Program staff will enter a service and case note for all financial assistance provided in EL documenting: 1) date of payment, 2) who was paid, 3) the amount paid, 3) reason for payment (e.g. 2 months of rental arrears), and outcome of payment (e.g., the landlord stopped eviction proceedings and agreed to continue client's lease agreement).
- e) Program staff will place an alert on the client's file once a disbursement of assistance has been made. Financial assistance will be limited to a one-time disbursement within a 12-month period starting from the date of check issuance.
- f) Prior to the disbursement of financial assistance, program staff must complete a budget and develop a sustainability plan in collaboration with the household. This plan must outline ongoing case management, identify specific action steps, and connect the household to benefits and resources needed to maintain housing beyond the limited financial assistance.
- g) All related documentation, including lease related items (e.g. landlord agreement to continue lease), receipts of expenses paid, budget and sustainability plan, must be uploaded to EL.

### 2. Outcomes and Indicators - The projected client outcomes and indicators for the 2025-2026 contract year for the households to be served are:

- a) 80% of all clients who exit the program will remain in permanent housing.
- b) 95% data accuracy measured with the Data Quality Report in Empower Lancaster.
- c) 100% of the financial assistance provided under this contract is entered as a service with a case note in Empower Lancaster.

## MEMORANDUM OF UNDERSTANDING

Between

(LEA) Cocalico School District

and

(CCYA) Lancaster County Children & Youth Agency

### **Transportation Procedures Agreement**

To ensure the educational stability of Foster Care Youth:

Every Student Succeeds Act (ESSA) requirements

*This Memorandum of Understanding (MOU) addresses transportation related provisions. Additional policies may be added to address the unique needs of each collaboration between the Local Education Agency (LEA)/County Children and Youth Agency (CCYA) in order to ensure the educational stability of foster care youth. Note: this MOU is not a local transportation plan. It is an agreement between the LEA and CCYA to collaboratively design a local transportation plan.*

### **Purpose:**

The purpose of this agreement is to establish transportation procedures between Cocalico School District (LEA) and Lancaster County Children & Youth (CCYA) to ensure the provision of transportation for foster care youth enrolled in a LEA (Pre-K-12) when a best interest determination indicates that the student should remain in the school of origin, and alternative means of transportation to and from school have been fully explored and deemed unavailable.

### **Joint Responsibilities:**

- The LEA and CCYA agree to collaborate to update or establish formal mechanisms to ensure that the LEA is promptly notified when a child enters foster care or changes foster care placements.
- The LEA and CCYA agree to collaborate to jointly design a comprehensive transportation plan to ensure that transportation for children in foster care is provided, arranged, and funded.
- Both parties agree that under no circumstances shall a transportation dispute between party's delay or interrupt the provision of transportation for a child to the school of origin.
- Both parties agree to communicate regularly and share leadership responsibilities at the local level to ensure that available resources for transportation are utilized in the most effective manner, without duplication.
- Both parties agree that transportation must be provided in a "cost effective" manner so low-cost/no-cost options should be explored. (e.g. pre-existing bus stops or public transportation, foster parents provide transportation, transportation by other programs if child is eligible)
- Both parties agree to maintain confidentiality of information regarding children and families being served, in accordance with the Family Education Rights and Privacy Act (FERPA), and all other State and Federal laws and regulations regarding confidentiality.
- Both parties understand that all federal, state and local funding sources should be maximized to ensure transportations costs are not unduly burdensome on one agency.

**Respective responsibilities under this agreement include:**

**School District**

- Establish a Foster Care Point of Contact (POC) given the importance of transportation to ensure educational stability requirements defined by the Every Student Succeeds Act (ESSA).
- Share the Foster Care POC's contact information with state and local education and child welfare agencies.
- Understands that even if an LEA does not transport other students, it must ensure that transportation is provided to children in foster care, adhering to the collaboratively designed transportation plan.
- Acknowledges that Title I is an allowable funding source for additional transportation costs, although funds reserved for comparable services for homeless children and youth may not be used for transportation.
- Informs the CCYA whether Title I funds are available to support additional transportation costs for children in foster care in order to maintain enrollment in their school of origin.
- Agrees, if applicable, to support additional transportation costs for eligible foster care youth utilizing funds made available within Title I.
- Understands that if there are additional costs providing transportation for children in foster care to remain in his or her school of origin, the LEA (school of origin) will provide such transportation if (1) the county children and youth agency agrees to reimburse the LEA for the cost of transportation; (2) the LEA agrees to pay for the additional costs; or (3) the LEA and county children and youth agency agree to share the costs.
- Agrees that a child must remain in his or her school of origin while any disputes are being resolved. Agrees to provide or arrange for adequate and appropriate transportation to and from the school of origin while any disputes are being resolved.

**County Children and Youth Agency**

- Identifies all children in foster care enrolled in the LEA in order for the LEA and CCYA to fulfill the jointly agreed upon transportation responsibilities.
- Informs LEA of children in foster care who may be in need of transportation to maintain enrollment in their school of origin.
- Agrees to immediately inform the school of origin of children in foster care who experience a change of foster care placement.
- Agrees, if applicable, to support transportation costs for eligible foster care youth utilizing funds made available within the county's child welfare budget under Section 475(4)(A) of Title IV-E of the Social Security Act.
- Informs the LEA/school of origin whether Title IV-E funds are available to support additional transportation costs for children in foster care in order to maintain enrollment in their school of origin. Agrees to assist the LEA/school of origin in exploring the full range of options for providing and funding transportation to maintain a child in his or her school of origin, consistent with the child's educational stability plan.

**Updates and Revisions:**

Updates and revisions to this MOU should be made as needed. Any updates or revisions to the MOU must be submitted to the Pennsylvania Department of Education. Best practice recommends that an updated MOU be submitted every three years, as contractual updates follow this timeline.

Cocalico School District \_\_\_\_\_ (LEA) and Lancaster County Children & Youth Agency \_\_\_\_\_ (CCYA) agree to update or revise this Memorandum of Understanding (MOU) as needed or every three years to coincide with the contractual timelines.

# Transportation Plan

**This plan is between:**

**Name LEA** Cocalico School District

**Name CCYA** Lancaster County Children and Youth Agency

---

## **Transportation Procedures To Ensure Educational Stability of Youth in Foster Care — Every Student Succeeds Act (ESSA) Requirements**

To address transportation for youth in foster care in a cost-effective way, the local education agency (LEA) and the county children and youth agency (CCYA) must establish formal, written protocols and procedures to ensure that youth in foster care can remain in their school of origin whenever possible. In order to do so, the CCYA must regularly identify and inform the LEA of all youth in foster care enrolled in the LEA.

The local transportation plan must be collaboratively designed between the LEA and the CCYA to appropriately reflect the unique local context in which it is in effect. It is recommended that LEAs and CCYAs consider previous scenarios when designing the joint transportation plan to limit educational disruption for youth in foster care as transportation related events occur.

### **Considerations**

LEAs should consider developing transportation plans with other LEAs or CCYAs, both in state and out-of-state, with which they frequently interact regarding youth in foster care; these specific relationships should be defined in the local transportation plan.

If students in foster care are sent to Intermediate Units (IUs) to attend programs at their facilities, the LEA should inform the IUs and the same accommodations must be provided for these students. IUs providing transportation for youth in foster care enrolled in the LEA must be considered in the development and design of the local transportation plan between the LEA and the CCYA, and plans should reference transportation procedures for these students.

If you require extra space to describe your transportation plan, please attach an additional document.

## Part 2: Addressing Transportation Assurances To Ensure Educational Stability

Please describe, in detail, your collaboratively designed transportation procedures governing how transportation to maintain children in foster care in their schools of origin, when in their best interest, will be provided, arranged, and funded for the duration of the time in foster care (ESEA 1112(c)(5)(B)). The purpose of establishing uniform local transportation procedures is to ensure that every foster care student receives a consistent, fair assessment.

### A) Providing Transportation

Describe the detailed the step-by-step procedure the LEA and CCYA will follow to promptly **provide** transportation for youth in foster care.

Multiple factors will be considered and addressed in the BID when determining transportation options, including safety for the student and others, student age, length of commute, and distance. The following options will be considered: 1) An existing bus route can be used; 2) An existing bus route can be modified slightly to accommodate new address; 3) Specialized transportation offered to other students (i.e., special ed., alt. ed.) can be accessed; 4) Existing specialized transportation can be modified slightly; 5) Alternatives may be identified, such as collaborating with other districts to transport the child; 6) Other options may be explored including reimbursing foster parents for transportation costs or including transportation in contracts with licensed child-placing agencies or group homes.

## **B) Arranging Transportation**

Describe the detailed step-by-step procedure the LEA and CCYA will follow to promptly **arrange** transportation for youth in foster care.

1) When a student is placed in foster care or changes residence while in foster care, the C&Y worker must contact Cocalico's Asst. Superintendent for Ed. Admin. (Foster Care POC). If the new residence is not in the same school district, the Asst. Superintendent for Ed. Admin. must be notified and invited to participate in the Best Interest Determination (BID). The Asst. Superintendent for Ed. Admin. is provided with the student's name, new address, and IEP information, if applicable.

2) The Asst. Superintendent for Ed. Admin. contacts the Director of Transportation to identify potential ways the child can be transported if the BID results in a decision to maintain the current Cocalico enrollment. Transportation information is given to the Asst. Superintendent for Ed. Admin. to include in the BID. (Continued on attached additional document)

## **C) Funding Transportation**

Describe the detailed step-by-step procedure the LEA and CCYA will follow to ensure transportation is **funded** in a cost-effective manner and in accordance with Section 475 (4) (A) of the Social Security Act. (ED/HHS Joint Guidance, p.17, question 26; Transportation Plan Guide, Part B)

Cocalico School District allocates funds to support the requirements of the foster care provisions. To keep costs at a minimum, all attempts will be made to utilize existing transportation routes, when available. If the utilization of existing routes is not feasible, the district will provide financial support to provide the most appropriate transportation available, and will utilize state-subsidized transportation funds.

In the event that state transportation subsidies are no longer available to the district, alternative funding sources, including sharing costs with C&Y, will be considered.

## **Part 3: Addressing Additional Costs**

As part of developing and implementing transportation procedures, the LEA and CCYA must address any additional costs incurred in providing transportation to maintain children in foster care. Given the emphasis on shared agency responsibility, the LEA and the CCYA should make every possible effort to reach agreement regarding how transportation should be funded if there are additional costs. (ED/HHS Joint Guidance, pp.17-19, questions 22, 27, 28, 29; Transportation Plan Guide, Part B)

LEAs, including the school district of origin and the school district of foster residence, as well as the placing CCYA, may also agree to paying for or sharing in the costs in providing transportation to the school of origin. LEAs may include these scenarios in their plans as a method to address additional costs.

**Complete the relevant fields** to address additional transportation costs if they are incurred in providing transportation to the school of origin.

The LEA will provide such transportation if:

- A) The CCYA agrees to reimburse LEA for additional transportation costs.** Describe the circumstances and procedures.

Cocalico School District will not seek reimbursement for transportation, unless state transportation subsidies are no longer available to the district.

- B) The LEA agrees to pay for the additional transportation costs.** Describe the circumstances and procedures.

At this time, Cocalico School District agrees to pay for transportation costs for foster care students. In certain situations, Cocalico School District will work with other school districts, districts of origin and receiving districts, to collaborate on providing the needed transportation. If state transportation subsidies are no longer available to Cocalico, other funding options will need to be explored.

- C) The LEA and CCYA agree to share the additional transportation costs.** Describe the circumstances and procedures.

At this time, Cocalico School District does not ask CCYA to share transportation costs. This option may need to be evaluated if state transportation subsidies are no longer available to the district.

- D) Other arrangements to address additional transportation costs are established.** Describe the circumstances and procedures.

School district covers transportation costs for specific arrangements when necessary.

## Part 4: Considering Low-Cost or No-Cost Transportation Options for Youth in Foster Care

On a case-by-case student basis, additional low-cost or no-cost options for transportation of students in foster care should be explored. Please carefully review the following no-cost or low-cost options for transportation and indicate with a check mark if the LEA and the CCYA agree to explore these transportation funding options on a case-by-case basis.

Options	LEA	CCYA
The child may be dropped off at a school bus stop near the existing transportation system for the school of origin. Communication between the current and new school districts is critical.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Public transportation options exist, if the child is of an appropriate age and has or is able to acquire the skills to utilize such options.	<input type="checkbox"/>	<input type="checkbox"/>
Foster parents or other family members are willing and able to transport the child to school.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
The child is already eligible for transportation covered by other programs. For example, IDEA funds may be used to pay for transportation services if the child's IEP team determines transportation is a related service that is required for a child with disabilities in foster care to receive FAPE.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
There are pre-existing bus routes or stops close to the new foster care placement that cross district boundaries, such as bus routes for magnet schools and transportation for homeless students as required by the McKinney-Vento Act.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
The school district of residence, school district of origin and placing CCYA may be willing to share transportation costs.	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Describe any additional low-cost or no-cost options for transportation of students in foster care that may be unique to your local context.

Not applicable

## **Part 5: Local Transportation Dispute Resolution Process Between LEA and CCYA**

Local transportation plans/procedures include a dispute resolution process to address how the transportation requirement will be met if parties cannot come to an agreement. LEAs must ensure that a child in foster care remains in their school of origin while any disputes regarding transportation costs are being resolved. (ESEA 1111(g)(1)(E)(i) and 1112(c)(5)(B)(i))

### **Describe your local transportation dispute resolution process.**

Cocalico School District will seek guidance from the Educational Stability for Foster Care Youth Regional Office. Out of professional courtesy, when either C&Y or Cocalico decides to contact the Regional Office with the intention of resolving the dispute, they will notify the other party by telephone or email prior to contacting the Regional Office. An email to the Regional Office will be made by the opposition and will detail the transportation plan and points of contention. The email will ask for recommendations on how to resolve the matter. Upon receiving the recommendations, C&Y and Cocalico will collaborate and reevaluate available resources to determine how to implement the recommendations. Until the dispute is resolved, Cocalico will continue to provide student transportation in the most efficient manner.

## Part 6: Updates and Revisions

Updates and revisions to this local transportation plan should be made as needed; any updates or revisions must be submitted to the Pennsylvania Department of Education. Best practice recommends that an updated plan be submitted every three years, as contractual updates follow this timeline.

LEA Cocalico School District

and CCYA Lancaster County Children and Youth Agency

agree to update or revise this local transportation plan as needed or every three years to coincide with the contractual timelines.

## **B) Arranging Transportation**

Describe the detailed step-by-step procedure the LEA and CCYA will follow to promptly **arrange** transportation for youth in foster care.

- 1) When a student is placed in foster care or changes residence while in foster care, the C&Y worker must contact Cocalico's Asst. Superintendent for Ed. Admin. (Foster Care POC). If the new residence is not in the same school district, the Asst. Superintendent for Ed. Admin. must be notified and invited to participate in the Best Interest Determination (BID). The Asst. Superintendent for Ed. Admin. is provided with the student's name, new address, and IEP information, if applicable.
- 2) The Asst. Superintendent for Ed. Admin. contacts the Director of Transportation to identify potential ways the child can be transported if the BID results in a decision to maintain the current Cocalico enrollment. Transportation information is given to the Asst. Superintendent for Ed. Admin. to include in the BID.
- 3) The C&Y worker, Asst. Superintendent for Ed. Admin., and other essential personnel share information, and a joint decision is made.
- 4) If the decision is that the student will remain at Cocalico, the POC notifies the Asst. Superintendent for Ed. Admin. who then notifies the Director of Transportation to work with C&Y to arrange appropriate transportation.

### Pricing and Availability Notice

Due to ongoing supply chain challenges, some hardware manufacturers cannot guarantee product availability or pricing until the product is shipped. While we make every effort to honor quoted pricing, if a hardware manufacturer increases its price to CDW after a quote is issued or order is accepted, we may need to update your quoted price to reflect that change irrespective of any timeframes or validity periods set forth in the quote, including up to the date of shipment. In the event of a price adjustment, we will notify you prior to shipment. Any price adjustment would only occur if the hardware manufacturer increases its pricing to CDW.

## Training Credits

Training Credits	Price per Credit (USD)

26-50	\$735
51-75	\$710
76-100	\$685
101-249	\$660
250+	\$620

If we purchase between 101 and 249 credits, the price per credit is \$660. If we purchased 150 credits that would cost \$99,000.

However I just received an email today that Workday has changed one of their programs.

We are excited to announce a new enhancement to your Workday Success Plans subscription: Training Credits are now included as part of our Education & Training offerings with the WSP 2026R1 release, effective February 13, 2026.

Training Credits are designed to help you build and deepen in-house expertise, giving your administrators more flexibility to master and maintain your Workday system.

**Training Credit Allotments**

These annual Training Credit allotments replace the current Workday Administrator Library enrollment waivers, which will be retired as part of the 2026R1 release. Any current enrollments in Workday Administrator Library courses will not be impacted. All courses previously available in the Workday Administrator Library will continue to be offered within the Training Catalog.

The difference: Your Training Credits can now be used across the full catalog, rather than being limited to specific courses of the Administrator Library.

Workday Success Plan members originally had access to take on demand classes for Administrators included in the WSP. They have now discontinued that and are giving credits based on your WSP level. Our membership level is Accelerate. That entitles us to 20 credits that were just loaded to our account today. We have until 12/20/2026 to use those. It might make a difference to how many we need to purchase.

This is a decrease of \$235,208.52, 37.19% from the present contract due to a reduction in man hours and services being provided.

  - b. It is not the intention of this Section, or anything herein provided, to confer in a third-party beneficiary a right of action upon any person whatsoever and nothing hereinbefore or hereinafter set forth shall be construed so as to confer upon any person other than the COUNTY a right of action either under this AGREEMENT or in any manner whatsoever.
8. LIABILITY AND OTHER INSURANCE. SUPPLIER, at SUPPLIER'S sole cost and expense, shall maintain and provide certification of the following: (1) commercial general liability insurance and automobile liability (if such exposure exists) against any claims for bodily injury, death or property damage, (2) worker's compensation insurance to the extent necessary under applicable law, (3) professional liability insurance (if such exposure exists) in such amounts to afford minimum protection per occurrence as described below, and for such risks as the COUNTY may from time to time deem reasonably necessary, and (4) such other insurance, in such amounts and against such risks, as is commonly obtained in the case of providers of services in Pennsylvania similar to the services provided by SUPPLIER. All policies of insurance, including policies for any amounts carried in excess of the required minimum, shall be written by companies of recognized financial standing legally qualified to issue such insurance and shall be maintained continuously in full force and effect.
9. GENERAL REQUIREMENTS FOR INSURANCE. Except as otherwise approved by the COUNTY in writing, the following provisions shall apply to each and every policy of insurance which SUPPLIER is required hereunder to carry:

15. AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR(S). Funds are not presently available for performance under this contract beyond December 31, 2026, or for services initially contemplated for performance

starting in 2026. The COUNTY's obligation for performance of the AGREEMENT beyond December 31, 2026, is contingent upon the availability of appropriated funds upon which payment for AGREEMENT purposes can be made. No legal liability on the part of the COUNTY for any payment may arise for performance under this AGREEMENT beyond December 31, 2026, until funds are made available by the COUNTY and until SUPPLIER receives notice of availability, to be confirmed in writing by the issuance of a Delivery Order or Purchase Order by the County Purchasing Department.

18. CERTIFICATION REGARDING IMPARTIALITY AND CONFLICT OF INTEREST. SUPPLIER certifies that it is a totally independent contractor and that to the best of its knowledge, no COUNTY official or employee is also an owner, corporate officer, or employee of its business, or has a vested interest, financial or otherwise, in this AGREEMENT or in the business of SUPPLIER.

SUPPLIER further certifies that it has fully disclosed as part of its Bid, in writing and prior to executing this AGREEMENT, which of its owners, corporate officers, management level employees, and associates is employed by the COUNTY or is a family member of a COUNTY employee, stating the persons' names and positions with SUPPLIER and whether such individual has a position of authority and/or will be involved with the prison transport duties on a daily/monthly basis.
  - b. SUPPLIER will inform the COUNTY in writing immediately if any potential conflict of interest arises during the performance of this AGREEMENT. Conflict of interest may constitute grounds for termination of this AGREEMENT following notification by the COUNTY to SUPPLIER (allowing SUPPLIER a reasonable opportunity to respond) where same is not corrected by SUPPLIER within a reasonable time period after notice.
19. IMMIGRATION REFORM AND CONTROL ACT OF 1986. SUPPLIER recognizes its responsibilities to assure identity and employment eligibility of its own employees under the Immigration Reform and Control Act of 1986 and any record acquisition and retention requirements under the Act.

defaulting party fails to resolve a default within thirty (30) days after notification, or if the default requires more than thirty (30) days to resolve and the defaulting party fails to begin resolution of the default within thirty (30) days after notification, this AGREEMENT will be terminated. The COUNTY reserves the right to suspend, revise, or withhold funds in whole or part for reasons of noncompliance with the terms and provisions of the AGREEMENT. In addition, should the default of SUPPLIER necessitate the County termination of this contract in whole or in part, COUNTY may acquire, correct, or replace with services or supplies similar to those terminated and SUPPLIER shall pay to the COUNTY the cost occasioned by its default and/or make an equitable adjustment in the contract price at the option of the COUNTY.

- 7
24. AGREEMENT NOT TO HIRE. SUPPLIER and the COUNTY both agree not to solicit, hire, contract with, or engage the employment or services of any employee or former employee of SUPPLIER or the COUNTY during the period of, and for one (1) year after, the termination of the AGREEMENT without prior written approval of the other party.   25. CONFIDENTIAL INFORMATION. All Information contained in the files of the COUNTY and all departments thereof is considered "Confidential Information." "Confidential Information" means any and all information, data, documents, files, and records disclosed to SUPPLIER by the COUNTY either directly or indirectly, in writing or orally.     - a. SUPPLIER agrees not to use any Confidential Information disclosed to it by the COUNTY for its use or for any purpose except to carry out discussions concerning, and the undertaking of, any business relationship between SUPPLIER and the COUNTY to third parties or to employees of SUPPLIER except employees who are required to have the information in order to carry out the discussions or intentions of the aforementioned relationship. SUPPLIER will have or has had employees who have access to Confidential Information of the COUNTY sign a nondisclosure agreement in content substantially similar to this AGREEMENT and will promptly notify the COUNTY in writing of the names of each such employee upon the invitation of the COUNTY at any time. SUPPLIER agrees that it will take all reasonable measures to protect the secrecy of and avoid disclosure or use of Confidential Information of the COUNTY in order to prevent it from falling into the public domain or the possession of persons other than those persons authorized hereunder to have any such information, which measures shall include the highest degree of care that SUPPLIER utilizes to protect its own Confidential Information of a similar nature. SUPPLIER agrees to notify the COUNTY promptly in writing of any misuse or misappropriation of Confidential Information of the COUNTY which may come to SUPPLIER's attention.
  26. HIPAA. If applicable, SUPPLIER agrees to comply with HIPAA. SUPPLIER assumes any and all responsibility for compliance with HIPAA relative to the processing, confidentiality, and security of medical and/or health information and related documentation/records in connection with SUPPLIER's provision of services as set forth under the AGREEMENT. SUPPLIER hereby agrees to indemnify, defend, reimburse, and hold harmless the COUNTY, its officers, agents, and employees for, or on account of, any violation of HIPAA attributable to its performance under the AGREEMENT which subjects the COUNTY to any non-compliance penalties, whether civil or otherwise.

This Agreement and all related documents, and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute are governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania, United States of America (including its statutes of limitations), without giving effect to the conflict of law's provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the Commonwealth of Pennsylvania.

28 Choice of Forum. Any action or proceeding seeking to enforce any provision of, or based on any right arising out of, this Agreement may be brought against any of the Parties in the courts of the Commonwealth of Pennsylvania, County of Lancaster, or, if it has or can acquire jurisdiction, in the United States District Court for the Eastern District of Pennsylvania, and each of the Parties consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue laid therein. ## **RESOLUTION NO. 15 OF 2026**

On motion of Commissioner \_\_\_\_\_, seconded by Commissioner \_\_\_\_\_, it was agreed for the County of Lancaster to authorize cash rounding for in-person cash payments due to limited penny availability.

**WHEREAS**, County accepts in-person payments for taxes, fees, fines, permits, licenses, and other charges; and

**WHEREAS**, the United States has discontinued the production of the penny and now experiences shortages of the one-cent coins, making it difficult for customers to provide exact payment amounts in cash and for County offices to reliably provide exact change for cash transactions; and

**WHEREAS**, maintaining efficient customer service and sound internal controls requires a consistent, transparent approach to handling cash payments when it comes to pennies; and

**WHEREAS**, many businesses and local governments have adopted cash-rounding practices that apply only to the cash tendered while crediting the payer's account for the exact amount owed; and

**WHEREAS**, the Board of County Commissioners finds that adopting a uniform cash-rounding policy is in the best interest of the County and the public;

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF LANCASTER, PENNSYLVANIA**, that the Board hereby approves the authorization of cash rounding as follows:

### **Section 1. Authorization of Cash Rounding**

- A. When a customer makes an in-person payment using cash and is unable to provide the exact amount, County offices are authorized to round the cash tendered to the nearest five cents (\$0.05) in accordance with the rounding rules in Section 2.
- B. The customer's account shall be credited for the exact amount owed, regardless of rounding applied to the cash tendered.

### **Section 2. Rounding Method**

Cash totals ending in:

- \$0.01 or \$0.02 will be rounded down to \$0.00
- \$0.03 or \$0.04 will be rounded up to \$0.05
- \$0.06 or \$0.07 will be rounded down to \$0.05
- \$0.08 or \$0.09 will be rounded up to \$0.10

Rounding shall be applied to the total amount due, not to individual line items.

**Section 3. Scope of Application**

- A. This resolution applies only to in-person cash transactions.
- B. Electronic payments, checks, credit cards, debit cards, and other non-cash payment methods shall not be rounded and shall be processed for the exact amount due.
- C. Customers who present exact change, including pennies, shall be permitted to pay the exact amount owed.

**Section 4. Accounting Treatment**

Any rounding difference resulting from this policy shall be recorded in accordance with the County's established cash over/short procedures and internal controls.

**Section 5. Notice to the Public**

County departments that accept cash shall post notice at points of payment advising customers that cash payments may be rounded to the nearest five cents due to limited penny availability.

**Section 6. Administration**

The Controller's Office is authorized to issue administrative procedures and guidance necessary to implement this resolution consistently across County departments.

**Section 7. Effective Date**

This resolution shall take effect on \_\_\_\_\_.

ADOPTED this \_\_\_ day of March 2026, by the Board of Commissioners of the County of Lancaster, Pennsylvania, in lawful session duly assembled.
