Notice
This drawing was prepared for the use of the Lancaster County Geographic Information Systems (GIS) Division and is intended to be used for reference and illustrative purposes only. This drawing is not a legally recorded plan, survey, official tax map, or engineering schematic, and it is not intended to be used as such. This drawing is a compilation of reports, information, and data developed and maintained in various Lancaster County offices. Map layers were created from different sources at different scales, and the actual or relative geographic position of any feature is only as accurate as the source information. If you have questions about any of the data shown on this map, direct them to the Lancaster County Geographic GIS Division at 717-397-1750.

Land Base Source
The land base source is geospatial and geographic data compiled geographically to National Map Accuracy Standards for one inch scale 200 feet scale mapping using digital stereopairs from aerial photography dated 1998 and 2002, collected stereopairly from ground points acquired using topographic global positioning system equipment. Topographic contours and elevations were derived using a digital terrain model from feature elevations based on the North American Vertical Datum of 1988. Planimeter coordinates were based on the Pennsylvania State Plane Coordinate System South Zone and North American Datum 1983. Aerial photography base is spring 2015.
