AN ACT

TO PROVIDE FOR A REGISTRATION OF MARRIAGES, BIRTHS, AND DEATHS.

WHEREAS, From the death of witnesses, and from other causes, it has often been found difficult to prove the marriage, birth, or death of persons, whereby the rights of many have been sacrificed, and great wrongs have been done:

And whereas, Important truths, deeply affecting the physical welfare of mankind, are to be drawn from the number of marriages, births, or deaths that during a term of years may be contracted or may occur within the limits of an extensive Commonwealth; therefore,

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same*, That from and after the first day of July next, each register of wills in the several counties of the State shall be supplied with separate books, in which he shall register, in the manner hereinafter directed, the marriages which may have been contracted, and the births and deaths which may have occurred within his county.

SECTION 4. That every physician or surgeon who shall hereafter be in attendance at the period of the death of any individual, dying within this State, shall make at once a record of such death in a book to be kept by him for that purpose, and shall return the same, duly signed, in the form of a certificate, to the register of the county in which such individual may have resided at the time of death, in the manner and within the period directed in the second section of this act; which record and certificate shall set forth, as far as the same can be ascertained, the full name, sex, and color of the person deceased, and his or her age; also, the name of his or her parents; the occupation, place of birth; the period, place, and disease, or cause of death, and, if within his knowledge, the name of the burial ground in which interred; and if married at the time of death, the name of the husband or wife, as the case may be; and no person having the charge as sexton of any vault or burial ground within the city or county of Philadelphia, shall inter, or permit, or cause to be interred, the dead body of any person in such vault or burial ground, without first procuring a copy of such record, duly certified as aforesaid by the person who made it; which certificate as aforesaid, when obtained, he shall sign, and before the expiration of thirty days from the time at which he may have received it, shall return the same to the register aforesaid; and every physician, coroner, or other person who shall neglect or refuse to furnish such sexton or other person, previous to such interment within the said city and county, the certificate required by this section, and every sexton, or other person, having the care or superintendence of any vault or burial ground, who shall neglect to procure such certificate as aforesaid, or having procured it, shall neglect or refuse to return it as aforesaid, shall each, for every such neglect or refusal, forfeit and pay the sum of five dollars, which sum shall be recoverable as debts of the like amount are recoverable by any person who may sue for the same; all certificates or returns required by this act shall be signed by the parties so certifying.

SECTION 5. That this act shall not be construed to prevent the registry of any marriage contracted, or birth or death happening, previously to its passage, within the limits of this State; nor of the marriage, birth, or death of any person or persons who may have married, been born, or may have died elsewhere, but who were the child or children of citizens of this State; nor of any marriage contracted previously or subsequently to the passage of this act, in any other part of these United States or their territories, or beyond the limits of the same: *Provided*, Either of the parties married were permanently residing in this State at the time, or at some time previously or subsequently to such marriage; such registrations shall be in the form already prescribed, and shall be kept apart from the current registrations, and in separate books, as is already required in the case of other registrations, but shall be embraced in the general index; the proof of every such marriage shall be as follows, to wit: in the case of a marriage, by the person who pronounced it, or if such proof cannot be made, or the marriage shall have been contracted according to the manner of the religious society of Friends, then it shall be made by some one who was present thereat; in the case of a birth, by some one who has actual knowledge of the period at which such person was born, or of his or her parentage; and in the case of a death, by some one who actually saw such person dead, or who has actual knowledge of the fact; such proof shall be under oath or affirmation, and shall be in its character satisfactory to the register: *Provided further*, That should any person feel aggrieved at the decision of the register aforesaid, he or she, or as the case may be, the next friend or the representative of the person, on whose behalf such application is made, shall have the right of an appeal to the Orphans' Court of the proper county, in which case the testimony so taken shall be sent up with the appeal to the said court, by the said register, accompanied by a written statement of his reasons for rejecting it as insufficient.

SECTION 6. That no letters of administration or letters testamentary shall be granted by any register upon the estate or effects of any person hereafter dying within this State, or if granted, shall be valid, until the death of such person shall be duly certified to the said register, in order that the same may be duly registered according to the forms and provisions of this act, or as strictly in compliance therewith as it may be in the power of the party so to do.

SECTION 7. That no appointment of any guardian to the person or estate of any minor hereafter born, by any Orphans' Court within this State, shall be valid, until the date of the birth of such minor, and the date of the death, as well as the name of his or her parent or parents, shall be duly registered according to the provisions of this act, as strictly as the same can be complied with, unless from the death of any witness, or from some other cause deemed sufficient upon strict investigation by the said court, such proof cannot at the time be conveniently made, in which latter case it shall be made as soon as it may be practicable.

SECTION 8. That the said books or registers, or a certificate duly certified by the register, and authenticated by his seal of office, as containing a full copy of the record of any marriage, birth, or death, shall hereafter be admitted in any court of this State as prima facie proof of any marriage, birth, or death: *Provided however*, That should no such registration exist, the proof of any marriage, birth, or death shall be sufficient, if made in the manner now or hereafter required under the decisions of the Supreme Court of this Commonwealth.

SECTION 9. That if any register shall not, within fourteen days after an application made to him to register any marriage, birth, or death, as aforesaid, register in the proper form and book, any such marriage, birth, or death, as the same shall be certified to him, unless he has sufficient cause, he shall forfeit and pay the sum of ten dollars, to be recovered as debts of the same amount are recoverable, by any person who may sue for the same; the person aggrieved shall have the right of appeal provided by the sixth section of this act; and all certificates of marriages, births, or deaths, duly returned, shall be preserved and filed by the register.
